Notice

Riken and its group companies decided to take the following actions to support the recovery of the people and the areas victimized by the East Japan Great Earthquake.

1. Donation

We will donate 30 million yen to the damaged areas through the Japan Red Cross.

2. Other Support Activities

For emergency use of earthquake victims who need immediate shelter and accommodation, we will offer facilities (mainly gymnasiums) located at our plants in Kashiwazaki, Niigata and Kumagaya, Saitama. We are also prepared to provide additional support as the occasion demands.

We would like to extend our heartfelt condolences to all those who were victimized by the disaster and offer our best wishes for a speedy recovery.
