

March 16, 2011
Riken Corporation
13-5 Kudankita 1-chome, Chiyodaku Tokyo

Notice

We would like to update the status of Riken Corporation and its group companies in connection with the East Japan Great Earthquake.

1. As of today there have been no reports of employee injury directly or indirectly caused by the earthquake.

2. Production facilities and buildings of Riken and its group companies are undamaged and continue to operate without disruption.

Additional announcements will be published if conditions change in a way that materially impacts the performance of the company and/or its group companies.
